## THE BEST BITS

Having traveled quite a bit, 'what's the best meal you've ever eaten?' is a question I'm often asked, and I rarely answer it the same way twice. In a similar manner, being ONEbuzz's resident columnist, I have been asked to list the best deals in 1 Utama, and I rarely answer it the same way twice. Some months it's that 2x UPoints at a coffee house or even a cupcake giveaway that's absolutely free. Or it might have been that beauty parlour that gave me an additional 10% when I flashed my privilege card on hand. On other days, it's simply a ONECARD exclusive sales preview at a boutique with an additional discount. The venue and promotion may change, depending on which memory comes floating to the surface, but one thing never varies: My best deals always happen with my ONECARD.

Why is that? I've had equally remarkable regular shopping deals, but more often than not, these ONECARD deals offer up a taste of

exclusivity. And each time say, I'm invited for a ONECARD exclusive collection preview, I find myself, just for a moment, imagining all the best things in the store that I get to experience first, before everyone else does. I become a true 'privileged member' in that instance of receiving the invitation to such an intimate happening.

This month is no exclusion to the countless deals that await our ONECARD shoppers. With the Raya festive closing in, the privilege card has got so much exciting deals in store for you, whether you're shopping or dining alike. While the adults enjoy the exclusive ONECARD discounts and freebies, junior isn't left out at all with YuKids' free Crazy Jeep ride that's junior's to redeem with a quick completion of our Kids Page. A personal reminder to all who would love a little extra something, earn 3X UPoints when you dine at any Japanese restaurants from now till September!

## LETTER OF THE MONTH

Here's your chance to tell us what you think of the ONECARD loyalty programme. And to show you how much we appreciate your feedback, we are giving away shopping vouchers worth RM150 for the Letter of the Month. Write to us at onecard@lutama.com.my or submit your letters to our Customer Service Centres, Ground Floor Highstreet or Centre Court, 1 Utama Shopping Centre, with your complete details.

Dear ONECARD,

I was browsing through your latest issue of the ONEstyle magazine that was sent to my girlfriends home. I work in a publishing house myself and I must say I'm very impressed with the entire issue. It is only now that I understand why she would get so excited when she receives the magazine in the mailbox. I used to only use the ONECARD for parking purposes until my girlfriend taught me to shop with it. I don't shop as much as she does, but I have come to learn and enjoy the perks from shopping and dining with a ONECARD of late. Kudos to the team behind the magazine, and more importantly, the ONECARD!

Han Ng

Dear Han,  
Thank you for the kind words on the magazine! We are also glad that you've finally learnt to fully enjoy the card and its privileges. And as Letter of the Month, here's rewarding you with shopping vouchers to enjoy!
