

Plant-based MILK for ALL

Organic Vegetarian • High in Calcium, Fiber,
Soy Protein, Minerals & Vitamins

Biogreen O'Kid Oatmilk

Specially formulated for kids, Biogreen O'Kid Oatmilk is made from organic & natural ingredients and non-dairy milk. The richness of Calcium, Omega 3, lecithin, soy protein and oligosaccharide will guarantee your kids to have better performance and diet transition. The fine texture makes it easier for absorption and digestion. Try it today and your kids will definitely love it!

Biogreen Pink Lady

Biogreen Oates' Cocoa

Biogreen Pink Lady & Biogreen Oates' Cocoa

With beetroot added, Biogreen Pink Lady is rich in iron, folate and antioxidant. It helps our body to build hemoglobin, regulate menstruation, fight the free radical and anti cancer.

The superb creamy cocoa taste of Biogreen Oates' Cocoa Oatmilk will melt the heart of cocoa lovers. The richness of insulin (prebiotic) will promote the growth of beneficial bacteria in the intestines hence, improving digestive health.

Biogreen Beta & 5 Grains Oatmilk

Biogreen Beta & 5 Grains Oatmilk are alternative to dairy milk with the benefits of organic oats, Omega 3, premium brewer yeast (Non-GMO) and soy lecithin (Non-GMO). The richness of soluble fibre helps to regulate & improve peristalsis, improve skin complexion, enhance power concentration & learning ability.
