Datuk Rosnah Binti Haji Abdul Rashid Shirlin, Organising Chairman, Dr. Koh Kah Chai announced that HEHA will be held on 25th and 26th of June, 2011 in Hall 1, Mid Valley Exhibition Center, Kuala Lumpur.

## HIMALAYA HERBAL NEW SHAMPOO RANGE LAUNCH

On 28th April 2011, Himalaya Herbal Healthcare launched its new range of shampoos at Mid Valley, with free hair analysis, professional health checks and a Himalaya hamper worth RM 1,000 as highlights. The new ranges of shampoos are 100 percent herbal actives for all hair types and conditions, and they contain natural ingredients that help to strengthen hair, reduce hair loss, and prevent dandruff.

## O' GREEN EARTH: DIY Shoes Painting for Charity

O' Green Earth: A DIY Shoes Painting charity event, which was organized by Biogreen, was held on May 21st, 2011 in Puchong IOI Boulevard. The mission of the event is to educate and encourage the younger generations to appreciate the nature and environment with ideas to recycle, reuse, and reduce. The charity event funded World Vision to aid the poor, improve the health of communities, and improve the lives of orphans. ☉

## Boost Your Energy & Immunity

Greenlife Aloe Oat-Greens is a healthy greens beverage enriched with aloe vera extract, fruits and vegetable extract, natural plant digestive enzymes, prebiotics and probiotics. It is also rich in essential vitamins, minerals, phyto-nutrients and anti-oxidants. These are essential foundations that help to sustain optimum pH levels for a good health.

## Clinically proven to hydrate and protect dry skin for 24 hours!

Cetaphil DailyAdvance Ultra Hydrating Lotion® with Epidermal Replenishing Complex5 contains a unique combination of 5 ingredients that hydrate and help replenish lipids in the skin. Its light, creamy lotion absorbs easily, and will provide moisturisation for 24 hours, leaving your skin feeling soft, hydrated and smooth. Non-greasy, non-irritating, non-comedogenic and fragrance-free. Dermatologist recommended. ☉
